Estacada Observed Nation Wide Sing

Estacada joined in the nation wide community sing, on Tuesday evening at six o'clock. Led by Prof. John K. Ely assisted by Lee Dillon, and with Mrs. L. A. Wells as accompanist, a number of our citizens assembled at that hour in the Park pavillion. With vim and vigor they sang the patriotic songs, commencing with the national anthem followed by "America," with its extra verse "God save our splendid men." "The Red, White and Blue" followed next and out of compliment to our gallant French ally, one verse of the "Marsellaise." The proceedings concluded with "The Battle Hymn of the Republic" and "The Battle Cry of Freedom." and a short speech by Lawyer Bartlett on the object of the meeting.

UPPER EAGLE CREEK

Carl Clark of Vancouver, visited with the home folks Sunday.
