

Meeting Postponed.

The meeting of the Loyalty League which was scheduled for next Saturday evening, at the Douglass schoolhouse, will be called off on account of the influenza.

"A Perfect Dream."

Oh! let me dream of a perfect day,
Of the day when the Hun foe yields;
When the Belgian orphans romp and play,
In the peaceful Belgian fields.
When the zeppelin raids forever stop,
As the Huns give up all hope;
And the kaiser takes a six-foot drop,
At the end of a perfect rope.

—Exchange.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

That Dark-haired Chap from Virginia

says that down South the best people won't chew anything but Real Gravely. They know how it's made—the Gravely way. It costs nothing extra to chew this class of plug. A

small chew of Gravely holds its good taste. That's why it lasts so much longer than a big chew of ordinary plug.

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
