"THE United War Work Campaign of these societies is merely another indication of that unity of spirit as a nation that is making it possible for us to win the war. That spirit and the place which the work of these agencies has made for itself in the hearts of all of us gives me confidence to believe that the united campaign will be crowned with abundant success."

### From a Former Resident

Port., Ore. Nov. 10, 1918.  
Eastern Clackamas News,  
Estacada, Oregon.

Dear Editor:—

I notice I am in arrears on the paper. Find a check to push the date ahead. We enjoy reading the home paper, as we call Estacada our home, and our boy Frank who was a student of the Estacada school, but now on the way to France with the Company C., 11th Replacement Marine Battalion, wants us to follow him up with the home paper.

In his last letter from Quincinto, Virginia, he stated that that Battalion was badly shot up, only 8 Marines left, so they are replacing it.

While in California last August he saw Orrin Coop, just as Orrin was leaving. Frank likes the soldier's life, and bragged on having his pay raised \$2.00 as a reward for expert marksmanship and also receiving a medal.

Yours truly,  
J. A. Somer.

Word was received late last night of the death of Mrs. R. Fanton at Bend, Ore., of influenza. Mrs. Fanton is the mother of Mrs. Robt. Snyder of this city. The body will be shipped here for interment in Zion cemetery. Private services at the grave will probably be held Sunday.
