ESTACADA, OREGON, THURSDAY, NOVEMBER, 28, 1918

\$1.50 PER YEAR

ESTACADA HIGH WINS EASILY OVER GRESHAM

Estacada After Four Minutes
of Play Puts the Ball Across
for the First Touchdown

ESTACADA 54 — GRESHAM 0

Our Ends Worried Gresham
and Kept Them in Fear
of that Long Pass

The score really tells the tale of the Estacada-Gresham game Friday, Nov. 22. Gresham won the toss and chose to defend the north goal. Estacada received the ball on the kickoff and in two or three plays, had the ball over for the first touchdown inside of four minutes, and repeated the trick again a few minutes later. Every time Estacada got the ball it was a signal for a touchdown and a total of eight times across the line and four goals made up the score. The best gains were made with the long forward pass and end runs, but line bucks and short passes were usually successful as well.

Gresham showed promise a few times during the slaughter but could not gain consistently when gains counted. Our ends kept them continually worried and in fear of that long pass.

This game gives Estacada a total score for the season of 137. Her opponents total zero. This record, together with the defeat administered to Oregon City earlier in the season may be the grounds for the fact that Oregon City has cancelled the Thanksgiving game with Estacada. This was to have been played on the home grounds and would have given Estacada a chance to break even, since they paid their own expenses to Oregon City.

Eugene High School is claiming the Willamette Valley championship, having recently defeated McMinnville who also defeated Oregon City. We are quite sure that Estacada would not feel satisfied to yield the banner without a struggle and a championship game is being arranged to be played in Portland.

The Thanksgiving Service.

The main auditorium of the High School was filled with a representative gathering for the Thanksgiving commemoration at 10:30 a.m. The proceedings were opened with the singing of America by the whole audience, and then the curtain was rung up disclosing the Primary Red Cross section of the schools, which sang "The Battle Cry of Freedom." The children looked very pleasing, the girls with their Red Cross caps and knitting bags, and the boys with Red Cross sleeve bands and carrying small flags which they waved during the chorus. The Rev. J. F. Dunlop then offered a solemn invocation, which was followed by an address by Mayor Bartlett, in which he gave an interesting account of the development of the observance of Thanksgiving Day from its initiation by the Puritan fathers as a harvest home festival to its becoming a national festival. The Senior Intermediate choir followed this address by singing "America the Beautiful" which elicited a well deserved encore. The next speaker was the Editor of the News, who for the time being reassumed his clerical character. His theme was that for the greater benefit of the world, civilization and humanity, it was better that the war should have been fought to a finish. The High School girls then sang the French National anthem "The Marsellaise," after which the Rev. J. F. Dunlop spoke on the fruits of the war in the furtherance of sobriety by national prohibition and the inculcation of economy. The program closed with the singing of "Keep the Home Fires Burning" by the Senior Intermediate choir, and the benediction by the Rev. J. F. Dunlop.

Mrs. L. H. Wells and daughter Miss Alice, the mother and sister respectively of Dr. L. A. Wells, were guests of the latter Thanksgiving. The Dr. says that Lee Arrington, Jr., did justice to the wing and the drumstick at this his first Thanksgiving dinner.

Killed in Wreck.

C. T. Hillman son of J. C. Hillman, was instantly killed in a rear end collision, last Thursday morning early, near Shafter, Nevada. The accident was due to a dense fog and the carelessness of the conductor of the train run into, for leaving it unprotected by rear lights.

Charles Theron Hillman was at Sumner, Wash., Oct. 25, 1890, and was educated in the public schools at Walla Walla, and at the University of Valparaiso, Indiana. He entered the railroad service rising to the rank of engineer. He was unmarried, and leaves besides his parents to mourn his loss, a brother 2nd. Lieut. Haldon M. Hillman who is now in France, and a sister, Miss Bertha L. Hillman.

The funeral was held Tuesday, at Walla Walla under the auspices of the Masons and Elks, to which orders he belonged. The numerous beautiful floral tributes testified to the esteem in which he was held.

A Sudden Death.

John Trachsel a well known farmer and dairyman living west of town, died very suddenly on Monday evening. He had returned from town only a short time previously and seemingly in good health, when he was stricken most unexpectedly and died before medical aid could arrive.

He was a native of Switzerland coming to this country with his wife and six children. The former died some years ago, but the latter all survive him. He was sixty years and five days old.

The body was taken to the Chapman funeral parlors, and will be buried Friday at 2 p. m., with services at the grave in Lone Oak cemetery. All the children are expected to be present except a daughter who is in Switzerland. Undertaker Chapman has charge of the obsequies.

J. C. Hillman received Tuesday, from Washington D. C., the commission of his son Haldon, as second lieutenant.

EASTERN CLACKAMAS TEACHERS INSTITUTE

Convened Last Saturday at
the Estacada High
School

VIRILE PROGRAM PRESENTED

Prof. Barrows, Mrs. Blanche
Blumauer and Prof. Kirk
Principal Speakers

There was an interesting meeting of the teachers of this section of the county, at the High School last Saturday. Several teachers from Oregon City, Milwaukee and way points were in attendance.

Co. Supt. Calavan called the meeting to order and several patriotic songs were sung, after which Prof. H. P. Barrows of the O. A. C. presented a very interesting and instructive discourse on "Education in a Democracy," making considerable point of the workings and benefits of the Smith-Hughes act.

The speech brought out many pertinent questions from the assembled teachers and Prof. Barrows cleared up all vague points in a very satisfactory manner. He is going to see that Estacada gets well started in the line of work in agriculture which will be introduced into the schools next year.

The afternoon program began with music, a song by some pupils of the Senior Intermediate department, and a piano solo by Mrs. Rayburn. The audience then joined in several patriotic songs after which Mrs. Blanch Blumauer of Portland gave instruction regarding the work of the Junior Red Cross, answering many questions of practical interest and urging 100 per cent membership for all schools. Estacada schools become the centre of one of the established zones of Junior Red Cross activity, and Miss Minnie Schrepel will be the secretary. All supplies for this
