The visiting teachers were served luncheon in the school dining room by a committee of Home Economic girls and their efforts were heartily appreciated by the visitors. The only drawback was the fact that very few of the people of the community were in attendance. It is a mistake to think that teachers' meetings are for teachers alone. They are for the community and the more parents know about the school business the better schools we will have.

HIGH SCHOOL NOTES

Miss Gladys McKnight of Albany has assumed the work left by Mr. Davis. Miss McKnight is a U. of O. graduate of the class of 1917.

The football team is still at vigorous practice. They have forwarded a challenge to Eugene High School to play a championship game either at Portland, or Eugene. Eugene claims the championship of the Willamette valley, but with our record we feel like disputing the claim.

The High School is growing. We have enrolled this week, Douglas Drill and Pearl Tucker as Sophomores. Etta Wagner class of '17 will take commercial work. Isaiah Tucker and Marion Tucker, and Gladys Kandle take up the work as Freshmen. We also have word of a young lady from Hillsboro, who will transfer shortly.
