How About a Commercial Club

(Continued from Page 1)

respectfully urge the city council to consider this matter and get the co-operation of our business men. Let all personal grudges and prejudices be sunk in the furtherance of the common weal of Estacada and so inaugurate a social and commercial advance that those beholding it shall exclaim “Keep your eye on Estacada!”

Mrs. G. A. Lovell of Estacada is the guest of her daughter, Mrs. George Kitching, of 628 Tacoma avenue.

Mrs. L. Hale, daughter of Mr. and Mrs. Kitching, and sister of George Kitching, Mrs. Harley Beal and Mrs. Andrew Shankland, all of Sellwood, was brought from her home at Estacada to Good Samaritan Hospital, Thursday, suffering from an acute attack of appendicitis. An operation was found necessary, and was performed the same day.

—Sellwood Bee,

We are glad to learn that Mrs. Hale is progressing nicely from the effects of her operation.

Ed. News.

Notice to Tobacco Dealers

The pending revenue bill will no doubt be passed before the middle of February. All dealers in cigars, tobacco and cigarettes must ascertain the date of the passage of the Act and inventory their stock before commencing business on the next day thereafter.

Arrangements have been made to have the inventory blanks in the hands of Postmasters in most places and they may be obtained there. In case dealers do not receive an inventory blank in time, they should list their stock and write to Milton A. Miller, Collector Internal Revenue, Portland, Ore., for proper blank.

Currinsville at the Top

In the Armenian Drive now in progress Currinsville is the first district to over-subscribe its quota \$64 being raised. This is a fine showing, which even Estacada may not be able to beat.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

ESTACADA PHARMACY

Walnuts from Mt. Vernon.

O. H. Plummer, general manager of the Pacific International Live Stock Exposition, also a director of the Portland public schools, visited Washington's tomb 10 years ago and succeeded after crossing the old negro attendant's palm with silver, in carrying away six nuts from the black walnut trees surrounding it. As soon as he returned to Portland, these were planted, and one grew and attained a height of 40 feet and bore this year a hundred pounds of nuts.

The Oregon State Chapter of the Daughters of American Revolution, have succeeded thro the

present legislature in having Washington's birthday again made a legal holiday in the public schools of Oregon with a patriotic program in the morning. Mr. Plummer has turned the nuts over to the Daughters with the suggestion that tree planting be made a part of the exercises.

Prof. Signs has written to see if any are available for Estacada, and if so they will be planted with appropriate ceremony on Washington's birthday.

Some members of the U. S. Fisheries bureau were in town Monday afternoon.
