

SCHOOL NEWS

The Junior play and coaches celebrated their victory in suitable style, with a social gathering Monday night.

The Juniors cleared about \$50 from their class night exercises, and desire to thank the public for their liberal interest.

The High School orchestra is beginning to take shape and with practice will be able to assist greatly in school entertainments.

State Supt. Churchill and Co. Supt. Calavan were in the city Thursday, March 6th, on an inspection visit covering standardization of High schools.

The Senior Intermediate classes gave a party for Victor and Jean Adix and Howard Givens, last Saturday night, as they may soon leave for homes elsewhere.

Some time about the middle of the month, the primary Department plans a presentation of Mother Goose under the direction of Miss Hannah and Mrs. Guy Graham.

The chorus by the High school boys who gave two numbers between acts of the Junior play, was especially well received. An opportunity to hear the girls will be next in order and we hope for a general musical program for the whole school some time during commencement season.

The death of Gov. Withycombe comes as a distinct blow to the Estacada schools since we have several graduates of O. A. C. on our faculty. He is also remembered by young and old in every community as one greatly interested in human welfare in general, and the welfare of Oregonians in particular.

The boys of the school have been warned against throwing

Junior Class Play Last Friday Night a Success

(Continued from page 1)

ing, as usually they are more self-conscious and subject to nervousness. The play was very well received, obtaining hearty applause. One thought struck us however, which was that if they had been playing for the screen, the director in the love making scenes would have been insistent on more action.

The High School Chorus rendered a number of selections which elicited deserved encores.

The films showed well, but we should suggest a more even delivery as some were changed too quickly, especially those which described the scenes. The class is to be sincerely congratulated on their endeavor which proved financially remunerative we should presume, and we shall look forward to next year when the present Sophomores will have their turn as the Junior class of 1920.

stones at street lights and other forms of misdemeanor about town. Several small boys have been guilty and the city authorities will apply the law to these offenses, and parents should see that the practice is stopped before some one is taken in charge.

The films so far received from the Film Co. have not been desirable subjects, and a remonstrance has been sent in stating that the contract will be discontinued unless better subjects are offered. We have one or two more plays under contract and if they do not prove satisfactory a change will be made. The next entertainment will be given Friday night at 7:30, and will include 2 reels educational, 2 comedy and 5 reel feature, with Peggy Hyland starring. Everyone should be out.

NEW TRAIN SCHEDULE

Beginning Sunday, February 9th, 1919
