assuming manners. In all matters pertaining the community interests she has played an important part and manifested warm interest. She will be as greatly missed and sincerely regretted in social circles as her husband. Their two children Victor and Jean are also important members of this place, the former being a thoroughly good hearted, whole-souled boy of pleasing manners and the latter a lively young lady who is capable of making things hum. Their going away will be felt by their playmates with whom both are exceedingly popular.

Dr. R. G. McCall has just been released from the naval service, in which he held the rank of 1st. Lieutenant and was stationed at Mare Island, California. He is a native of Iowa, but received his early education at Blue Earth, Minnesota, later going to The Hahnemann Medical (homeopathic) College at Chicago, where he graduated in 1914. Later he took a post graduate course at the College of Physicians and Surgeons in Chicago. After practicing a short time in that city he came west and settled first at North Bend, Ore., where he was for a year before joining the service. In lodge affiliations he is a

member of the York rite degree of Masonry and a Shriner, and was married to an estimable young lady of Chicago, five years ago. They may both be sure of a warm welcome in our midst and the NEWS hopes they will soon settle down and feel at home, as if they had been residents for some years.
