J. F. Dunlop, Pastor,

Our mail carrier Mr. Kirk has the worst route in the state for mud holes that are knee-deep in places, so he has to walk and push on the wheel to help his horse. He cannot leave Estacada until 9:30 a. m. and gets back there at 7:00 p. m. Just as Cheap Here as in Portland.

We received a grocery price list from Meier, Frank Co. of Portland, last week and compared prices with those of a local merchant. We found very little variation, some articles being a few cents cheaper and others correspondingly higher, while yet others were exactly the same as here. The conclusion we arrived at was, that including the freight charges, on a general average, one could do as well in Estacada as in Portland.

There will be a dance at Cogswells hall, Eagle Creek, on Saturday, March 22nd. Meade's four piece orchestra will furnish the music and tickets will be a dollar.
