Birthday Party

Mrs. Hal Hillman and Miss Bertha Hillman visited friends at Salem and Amity last week. At the latter place on Monday, March 24th, a birthday party was given Miss Bertha by the Misses Arlene Smith and Mildred Jones.

These three young ladies' birthdays fall on the same day and it has been their custom to celebrate them together. Last year Miss Hillman was the hostess. The editor wishes he had known of it in time, for it happens his birthday falls on that date also. When the party is held in Estacada he will expect an invitation.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free.—All Druggists. 75c.
