

Goodyear Tires

Built as well as we know how, the Goodyear tire has come to a stage of perfection. Years of experience has taught us a great deal and you who use the Goodyear get the benefit of years of experience. Its reputation and employment are steadily and swiftly gaining, as word of its advantages become more widely spread. Today it is the standard equipment on a pronounced majority of the finest motor cars built in this country. Goodyear cord tires cost more money to build than do tires of an earlier type. It is the experience of users, that despite the somewhat higher cost the Goodyear cords cost less in the end.

With such an array of talent, it will be a blot on the community if they are not well patronized, and a generous advance sale of season tickets secured. The local committee which guarantees the enterprise should not be allowed to suffer loss for their public spirited action. Let us hope this second Chataqua will prove a success in every way.

There is more catarrh in the country than all other diseases put together, and for years it was supposed to be incurable. It is now cured with local treatment, and is curable. Catarrh is a local disease, greatly influenced by general conditions and therefore a local remedy is the best treatment. Hall's Catarrh Remedy, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy. It is taken internally and acts through the blood on the mucous membrane of the system. One hundred bottles of Hall's Catarrh Remedy are now being offered in a special campaign. Write for particulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists.
