NEW LODGE ORGANIZED HERE

The United Artisans, a fraternal order combining both social and beneficial features, has been organized here during the three last weeks, with a membership of over sixty and prospects of over a hundred in the near future. It meets in the Odd Fellows hall each Monday evening at 8 o'clock.

The following officers were elected last Monday night: Lee Bronson, M. A.; S. Pesznecker, P. M. A.; Mary Eshleman, Supt.; Fred Bartholomew, Insp.; Theo Ahlberg, Sr. Con.; Rose Bartholomew, Jr. Con.; Eva Mae Ahlberg, Sec'y; Mabel Bronson, Treas.; Geo. Harkenrider, Inst.; G. Rein, Warder.

At the regular session last Monday, a large drill team from the Liberty Assembly of Portland attended and conducted the work of initiating forty new members, after which a big strawberry feed was served by the local assembly which all enjoyed. The lodge has a local orchestra and expects to have a good live ball team soon. The leading members here are very enthusiastic and want their friends to get in and enjoy the benefits of the "invest" order on the coast.

The Artisan are able to pay all their obligations arising from the flu last year out of its current collections and yet have a surplus. Men and women between 16 and 50 inclusive, are eligible for membership, with a limit of \$5,000 insurance.

Oil on Troubled Waters

The NEWS is in receipt of a somewhat lengthy letter from the editor of our esteemed contemporary, the Molalla Pioneer. In it he takes issue with the statement in the account of the baseball game between Molalla and Estacada High schools here on May 31st, which said that the former had conceded Estacada's protest in respect of the previous game between the two schools at Molalla. And he also made some other charges. We referred the matter to our original informant who made counter statements. We regret exceedingly if any unpleasantness occurred on that occasion, all the more so because the Molalla boys were foemen worthy of our team's steel. It would do no good in our opinion to publish the letter, as it would only invoke a prolonged and heated discussion. So it is better to let the matter drop, hoping that time will exert its mollyfying influence. Estacada will always welcome a match with Molalla and promises them a royal reception whenever they play on our home field.

Grange Meeting

The entertainment given by the Garfield Grange last Saturday evening, at their hall, was well attended and the proceeds amounted to \$63.90. A special meeting of the Grange is called for Saturday evening, June 14. All members are requested to be present.

Victory Loan Medal

The NEWS is the recipient of a medal from the U. S. Treasury. It is one which has been awarded to all the newspapers in recognition of their work, boosting the Liberty Loans. On its face it shows the Treasury building at Washington, D. C., below which is the American Eagle and the inscription "Victory Liberty Loan." On the obverse is the following description: "Awarded by the U. S. Treasury Department for patriotic service in behalf of the liberty loans. Made from captured German cannon." A hole is punched in it, thru which we can string red, white and blue ribbons and wear it around our neck on state occasions.

Home Again

Roscoe Deming arrived home last Saturday looking fit and fine. His ship made the voyage from Brest to New York in thirteen days, where he received his discharge. He went out to serve with the tank corps, but did not arrive in France until a few days before the armistice was signed. Since then he has been for the most part in Paris with the motor transport. He had a good opportunity for seeing that famous city and its interesting spots. Altho he enjoyed his stay and got along very well with the people, yet he would not care to live there as they are too much behind the times. He saw nearly all the big men from President Poincaré downwards, and had a talk with Mrs. Wilson on the Place de la Concorde. But interesting as his experiences were, he is only too glad to be home again in the good old U. S. A. with wife and Baby Roscoe, who already knows his daddy.

The Rose Festival

Portland this week will blossom as the rose. Among the attractions announced, is an aerial circus in which a squadron of seven or eight aeroplanes under command of Lieutenant Colonel Watson, will take part. These are coming from Mather Field, Sacramento, and expected to arrive in Portland on the 10th. Rear Admiral Fullam, on board the Minneapolis will bring a fleet of warships and two sea planes. The celebration this year promises to be fully worthy of its name "The Victory Rose Festival."

DEMONSTRATION

Miss Marie Anthony, Home Demonstrator agent, will be in Estacada one day next week to demonstrate the making of a fireless cooker, an iceless refrigerator and a dish drainer, at the home of Mrs. J. W. Reed.

Also at the Currinsville schoolhouse on June 19, 2 p. m. All ladies are invited to these demonstrations.

The clerk of the weather has proved kind to the Rose Festival.

ESTACADA VS. LOYAL LEGION

Last Sunday, June 8th, Estacada crossed bats with the Loyal Legion team from Portland and annexed their first victory of the season, by a score of 10 to 2. The game was not fast, but demonstrated that Estacada has some good material, and should play fast ball when they get rounded into shape.

It is planned to take on some of the better independent teams during the next two months. But the boys will need the support financially and in attendance of the people of the town.

For the stimulation of community interest and advertisement, a successful baseball club ranks among the best, and it is hoped that the business men of the town will solidly get behind the team.

Below are the respective teams. The visitors being short of two men, Estacada furnished them with E. Hannah and Lichthorn.

An Alfresco Party

Last Saturday evening Mrs. H. N. and Miss Bessie Wallace gave a most enjoyable affair, at the home of the former. A camp fire was made in the yard, around which the guests visited, told stories and roasted wiener wursts. Later on they entered the house and amused themselves with dancing. Besides a number of town people there were Misses J. Andrews and M. Spencer from Canada, Messrs James and John Hollingsworth and Camden Mitchell of Portland, and Miss Elda Pettibone and K. E. Mac Lennan of Albany, Ore. All went home declaring they had had the time of their lives.
