

Announcement---

Our store is now under the management of J. F. Lovelace, as A. E. Sparks has bought a new boat and sailed away to California.

The new manager will be a little green perhaps at first, but he will soon catch on. He will give the same courteous treatment which has always characterized this store.

As in the past, from time to time, we will offer our customers bargains, as our policy will be to reduce rather than to increase prices. Look out for our advertisement and you will learn something to your advantage.

We request a share of your patronage.

We shall handle bread and will make deliveries in the near future. Our old Jitney has been on the bum for a long time but we have got her all fixed up as good as new, and Lovey, the E. H. S. Catcher, will make deliveries any where in town and will also make delivery any reasonable distance in country with orders of \$5.00 or more.
