

**United States Tires
are Good Tires**

The Real Thing Right Through

Put United States Tires under your car and you'll find them the real thing.

They're built to wear—to give you the kind of economical service you want. And that's just what they do.

Hundreds of thousands of regular users will vouch for that—lots of them right around here.

There are five distinct types of United States Tires—one for every need of price or use.

We have *exactly* the ones for your car.

We know United States Tires are good tires. That's why we sell them.

CASCADE GARAGE

Roy Wilcox, Estacada, Oregon

Boring Garage: W. R. Telford, Boring. Sandy Garage, Sandy

Fred M. Rowley, representative of the Commerce Safe Deposit and Mortgage Co. of Portland, was in town several times this week on business connected with his firm. This company loans money on three classes of security, farm, city property and apartment houses. The mortgages and notes are deposited with the Security Savings and Trust Co. of Portland and then

bonds are issued against these in denominations of \$100, \$500 and \$1,000 bearing interest at 6 percent, payable semi-annually. These can be bought on the installment plan if desired, and are a boon to the small investor. Mr. Rowley is a very pleasant gentleman to meet and may well be called a missionary of thrift, as he preaches admirable sermons on economy and the benefit of methodical saving.

High School Library

Beginning July 7, the High School library will be open to students and patrons of the school from 2 to 5 o'clock, on the first and third Mondays of the month, from now until the opening of school.

A new state traveling library has been ordered, and everyone interested may use the books.
