

## DOVER NEWS ITEMS

Omitted last week

Mr. and Mrs. Schminky are entertaining friends from Philadelphia this week.

Mrs. James Akin was entertaining friends from Portland Sunday, returning with them for a few days shopping.

Joseph DeShazer and family were visiting James DeShazer at Firwood Sunday.

R. C. Trace and family motored out from Sandy Saturday evening calling on friends.

Ralph DeShazer has purchased an 80 acre tract of land from C. P. Tallman, which was formerly the old Jones place. He intends setting out a portion to berries.

R. C. Deming of Estacada was motoring through Dover Sunday promoting berry culture and also prune raising for the Estacada canerry. The main drawback is the poor roads to Estacada. Perhaps Estacada and Dover could cooperate in building good roads, which would be a great help to both communities.

Misses Lula and Rildia Roberts of Portland, came out Saturday to attend the reception given their brothers George and Webster Roberts, who recently returned from France.

M. Lee and family, from Washington, were visiting relatives and friends here for a few days last week.

Jas. DeShazer and family entertained relatives and friends from Corbett Thursday evening.

Born July 2, to Mr. and Mrs. Walter Kitzmiller, at the Sellwood hospital, an 8½ lb. boy. Mother and baby doing fine.

Harold Miller and wife, of Portland, were visiting old friends here Friday and Saturday.

Jas. Akin visited his wife and family over Sunday.

The formers are busy making hay while the sun shines.

## NEW FORDSON PRICE

The Estacada Fordson agents wish to announce the new price on this machine for the year, namely \$750 F. O. B. at the factory, Dearborn, Mich. Place your order NOW to insure delivery in time for fall work. Vick Bros., the state distributors say it will be necessary for them to receive orders early, so they will have time to send their estimate to the factory to insure delivery for fall work. DON'T DELAY BUT ORDER NOW.

Life of Car Depends  
on Correct Lubrication

It has long been recognized that machinery of every kind must be lubricated with oil of a particular consistency if it is to run smoothly.

To specify the correct grade of oil for every type of engine is the work of experts. Realizing this, the Standard Oil Company established a Board of Lubrication Engineers that has determined by exhaustive study and actual tests the correct consistency of Zerolene for every make of automobile.

The results of the experiments and test of the Board of Lubrication Engineers have been embodied in a series of correct lubrication charts and a separate chart has been prepared for each make of car. The wise motorist will do well to follow these charts implicitly if he would get the most out of his car.

Good oil is  
cheaper than parts

"A quart of oil"—any oil—is  
better than no lubrication.

But why not ask for Zerolene  
and know that you are getting  
Correct Lubrication?

By exhaustive study and actual  
tests the Standard Oil Company  
Board of Lubrication Engineers  
has determined the correct con-  
sistency of Zerolene for your  
make of automobile. Their rec-  
ommendations are available for  
you in the Zerolene Correct Lu-  
brication Charts. There is a sep-  
arate chart for each make of car.

Zerolene is correctly refined  
from selected California crude oil.  
It keeps its lubricating body at  
cylinder heat, holds compression,  
gives perfect protection to the  
moving parts and deposits least  
carbon. It is the product of the  
combined resources, experience  
and equipment of the Standard  
Oil Company.

Get a Correct Lubrication Chart  
for your car. At your dealer's or  
our nearest station.
