

Goodyear Tires

Built as well as we know how, the Goodyear tire has come to a stage of perfection. Years of experience has taught us a great deal and you who use the Goodyear get the benefit of years of experience. Its reputation and employment are steadily and swiftly gaining, as word of its advantages become more widely spread. Today it is the standard equipment on a pronounced majority of the finest motor cars built in this country. Goodyear cord tires cost more money to build than do tires of an earlier type. It is the experience of users, that despite the somewhat higher cost the Goodyear cords cost less in the end.

The baseball game at the Chatauqua last Saturday, between Oswego and Estacada, proved to be a close and snappy game, that took nine innings to decide. It resulted in a victory for Oswego by a score of 7 to 6.

Three seems to be the lucky number for R-34 as she made her return trip across the Atlantic in the record time of 3 days, 3 hours and 3 minutes. Shade of Columbus what do you think of that?

THE UNIVERSAL CAR

The Ford One Ton Truck may well be classed as an agricultural necessity, it fits into and fills so many wants on the farm. It is a reliable bearer of farm

burdens, not only doing the work of several horses quicker and better than the horse, and does not "eat its head off" when not working. The aggressive farmer has only to consider the possibilities of the Ford truck and he is ready to buy one. We judge this to be so from the way farmers are buying them. Truck Chassis \$550 f. o. b. Detroit.
