

Goodyear Tires

Built as well as we know how, the Goodyear tire has come to a stage of perfection. Years of experience has taught us a great deal and you who use the Goodyear get the benefit of years of experience. Its reputation and employment are steadily and swiftly gaining, as word of its advantages become more widely spread. Today it is the standard equipment on a pronounced majority of the finest motor cars built in this country. Goodyear cord tires cost more money to build than do tires of an earlier type. It is the experience of users, that despite the somewhat higher cost the Goodyear cords cost less in the end.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.
