Nothing To Freeze

Pumps freeze up. Watering troughs have to be chopped open. Water storage tanks are liable to burst. But a MILWAUKEE AIR POWER WATER SYSTEM has nothing to freeze. There is no water storage tank and the piping is carefully put beyond the reach of Jack Frost.

You do not realize fully the benefits of a water system on the farm till the blizzards come.

Don't forget that all the water supplied by the MILWAUKEE SYSTEM comes "Direct from the Well"—absolutely fresh. It costs you nothing to learn the price of a water system for your place. Phone us about it now.

The New 1½ H. P. "Z" Engine successfully uses KEROSENE

THERE is much to interest every farmer in this announcement, because adding this recently perfected small size completes a line of engines—1½ H. P. to 15 H. P.—all of which successfully run on

KEROSENE

—also run on Distillate, Coal Oil, Tops or Gasoline.

The larger "Z" engines always have successfully used Kerosene—now the new 1½ H. P. size does too—thereby completing the most practical and efficient engine line ever offered. But you cannot know the "Z" by reading about it. Come in and see it. Let us tell you why we add our reputation to that of Fairbanks, Morse & Co. when selling a "Z" to you.

Throttling Governor—Built-in Oscillating Magneto

Prices—1½ H. P. \$61.00—3 H. P. \$100.00
6 H. P. \$179.00 F. O. B. Factory.

VIOLA BREEZES

Mrs. C. B. Stone and children of Palo Alto, Calif., are visiting her parents, Mr. and Mrs. John Hamilton, Sr. for the summer.

Virginia and Eugenie DuBois, daughters of C. E. Dubois, are visiting relatives in Portland.

James G. Hamilton, son of John Hamilton, Sr., is home after a ten months stay in France. He was first with the 55th ammunition train but later in the embarkation service at St. Nazaire. While on furlough he visited his native country, Scotland, and England. He took in the sights of Paris and visited the battle front. When in London, he saw at close range, the King, the Prince of Wales and Lloyd-George, the premier. He is glad to be home again, and his friends are warmly welcoming him.

The infant son of Mr. and Mrs. Mart Doriland of George, was badly scalded last Tuesday evening. The baby was lying on the floor by the stove, when a tea-kettle of hot water fell over on him. The child was rushed to town, where Dr. McCall dressed the burns, and he is now doing nicely.

John Page and family are at Hot Lake, in Eastern Oregon.
