STANDARD OIL COMPANY (California)

Nothing To Freeze. Pumps freeze up. Watering troughs have to be chopped open. Water storage tanks are liable to burst. But a MILWAUKEE AIR POWER WATER SYSTEM has nothing to freeze. There is no water storage tank and the piping is carefully put beyond the reach of Jack Frost. You do not realize fully the benefits of a water system on the farm till the blizzards come. Don't forget that all the water supplied by the MILWAUKEE SYSTEM comes "Direct from the Well"—absolutely fresh. It costs you nothing to learn the price of a water system for your place. Phone us about it now.

Mrs. C. F. Howe also accompanied her son Ted and the Henry Githens on their trip to Squaw Mountain. As she had such a good time, it is too bad to leave her out of the item. All that marred her pleasure, was being accused of impersonating some one else, on account of her hiking costume.

RUNAWAY

Wm. Heldt of Bissell, while driving to town Tuesday morning had the misfortune to have a runaway. While coming down the Garfield road, part of the harness became loose, which caused the horses to start on the run and the brake would not work. When in front of the T. I. Jones place, the wagon tipped over the bank and smashed into the fence, while the team ran on to Mr. Harkenrider's farm. Mr. Heldt fortunately escaped injury by jumping, otherwise he might have been seriously injured, if not killed. Mrs. Heldt came to town the same morning, but she rede with Fred Lins in his car.
