

### Rural Carrier Examination

The United States Civil Service Commission has announced an examination for the County of Clackamas, Oregon, to be held at Portland on October 25, 1919, to fill the position of rural carrier at Boring and Estacada and vacancies that may later occur on rural routes from other post offices in the above-mentioned county. The examination will be open only to citizens who are actually domiciled in the territory of a post office in the county and who meet the other requirements set forth in Form No. 1977. This form and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the commission at Washington at the earliest practicable date.

Admission of women to this examination will be limited to the widows of U. S. soldiers, sailors, or marines, and to the wives of U. S. soldiers, sailors, or marines who are physically disqualified for examination, by reason of injuries received in the line of duty.

*A scientific service in lubrication*

The Standard Oil Company Board of Lubrication Engineers study the lubrication needs of each make of automobile and prescribe Correct Lubrication.

By exhaustive study and actual tests these experts have determined the correct consistency of Zerolene for your make of automobile. Their advice and recommendations are made available for you in the Zerolene Correct Lubrication Charts. There is a separate chart for each make of car.

Zerolene is correctly refined from selected California crude oil. It keeps its lubricating body at cylinder heat, holds compression, gives perfect protection to the moving parts and deposits least carbon. It is the product of the combined resources, experience and equipment of the Standard Oil Company. Get a Correct Lubrication Chart for your car. At your dealer's or our nearest station.
