**ATTENTION!**

We wish to call the attention of the public to the fact that we have added to our shop equipment an Oxyacetylene Welding outfit, and a Burning in and Running in block for Ford engines.

We have also been fortunate in adding to our force of mechanics, Mr. Sam Barr, whom everybody will remember as one of the most competent iron workers in the country and does a general work in that line. With the assistance of Mr. Clyde Schöck and Mr. Melton in charge, who knows your car from the radiator to the tail light, regardless of the make, we invite your patronage and guarantee first class work.

**"The Turn in the Road"**

**Family Theatre, Thursday  
Night, Oct. 9th.**

Who and What is God? Does he visit upon man afflictions as well as blessings? Paul Perry, a faith in the orthodox God was blasted when his young wife died, and he went in search of the True God and sank to the depths of degradation. How his own child led him into the light of Truth is told in a drama of pathos and humor, thrills and climaxes that stir the deepest emotions. A beautiful story of the power of Love over Hate, and the simple faith of a child that overcame Fear and Unbelief.

**Soldiers' Insurance**

(Continued from page 6)

5. Endowment at Age 62.
  6. Ordinary Life.
- Applications are being received by the Bureau of War Risk insurance for changing the present term insurance, which was issued at the time of entering the service, into the permanent forms.
- Ten features which prominently stand out in the government policy are as follows:
1. The total permanent disability clause is granted without cost to the insured and it is free from all restrictions.
  2. Government insurance does not charge its policy holders any overhead expense.
  3. It contains an extremely liberal definition of disability.
  4. It gives very substantial payments.
  5. It contains no age restrictions.
  6. It is unrestricted as to travel, residence or occupation.
  7. Premiums paid in advance are refunded down to the month, in case of death.
  8. The policy is non-taxable.
  9. Unusually liberal cash, loan, paid up insurance and extended term insurance values are included.

10. It participates in dividends. If the policy holder is unable to keep the full amount of the War Risk insurance he carried while in the service, he may reinstate part of it from \$1,000 up to \$10,000 in multiples of \$500. Reductions may be made in multiples of \$500 to any amount, but not less than \$1,000. Premiums are due on the first of the month, although payments may be made during the calendar month.

**What Happened to Kitty.**

Grandma had come for a long visit and mother went to the city for a week, leaving the children in grandma's care. On the second day of her absence Paul was restless, as the others were at school, and he wanted some one to play with.

"Why don't you play with that cute little kitten you had when I was here last?" asked grandma.

"I ain't got no little kitten," answered Paul.

"Mercy me! What's happened to him? Did he run away or get killed?"

"Nope, he ain't killed or lost; he's growed into a cat."
