ATTENTION!

Estacada, Oregon, October 16, 1919.

To Our Many Friends and Patrons:

We have sold out our business to Messrs. Raker & Son of Gresham, who have now assumed charge. We wish to thank you for your generous patronage, which enabled us to build up a business which would be a credit to a town far larger than Estacada.

We bespeak for our successors the same liberal treatment you have accorded us. Messrs. Raker & Son are no strangers to most of you, as they have maintained for some years the Ford Agency at Gresham and are experts in the automobile line. We have taken pride in furnishing expert service during the years past, and we would have hesitated at selling out to anyone who would not continue the like service. But we have no misgivings whatsoever on this score, as we know that the new owners will be more likely to excel than lower the standard heretofore maintained.

Thanking you again for your past favors,

Yours very truly,

REED & SHIBLEY

What We Like to Receive

Blackfoot, Kansas.
Sept. 29, 1919.

Dear Editor:

I see on the wrapper of my paper that my subscription will soon expire, so enclosed find a draft for \$1.50 to put me in good standing. We get the paper every Monday morning, and always look for it.

Our son Frank has received his discharge from the Marines at Philadelphia, the fore part of this month, so surprised us on the 14th of September, and is attending High School. It is too bad an Oregon marine is not entitled to the Educational Financial Aid law, when attending school in another state, even tho his parents are property owners in Oregon. Sometimes ex-ser-

vice men of Oregon, are detained out side of the State temporarily.

Wishing you prosperity and best wishes,
Truly yours,
J. A. Somer.

VIOLA BREEZES

A Mr. Clark and his new bride have moved onto the H. Bradley place, N. G. Nutt having sold his lease and stock to Mr. Clark. Mr. and Mrs. Nutt are leaving for Portland on account of the latter's poor health.

The many friends of Arthur Barrett are anxious to welcome him and his bride, formerly Miss Nola Pollick, back from California where they went to spend their honeymoon among friends. We wish them a happy long life.

Ray Miller, who has been confined to his bed for the past week with sciatic rheumatism, is

improving slowly. We hope to see him well again soon.

The rumor has come to us that the new railroad Carver line is coming soon; that men are grading and working through Ed. Bateson's place at present.

Frank Gibb lost a horse which had got hurt in some way and had to be killed, which makes four horses in two years he has lost.

Wm. Hicinbotham is doing carpenter work for Mr. Fenny near Evergreen school house.

Harvie Mattoon is on the jury again, going to town every morning in his Ford.

Our school teacher Miss Miller, has been on the sick list over two weeks now and Mrs. C. B. Stone is filling her place to the satisfaction of all.
