## CLOCKS TO BE PUT BACKWARD

On Sunday the clocks will all be turned back one hour and we will revert to actual time according to the sun. Thus ends the experiment in daylight saving, for the law has been repealed. It found favor in manufacturing circles and it is astonishing the amount in dollars and cents, it is claimed, was saved thereby. But the farmers and some others were dead against it and so it has been repealed. The other countries which adopted it, show no disposition to repeal it, so some substantial advantage must be derived from it. Better turn the clock back when going to bed Saturday night.

### School Entertainment

"Laughing with the Dough-boy in Europe," is the attractive title of a lecture to be given in the High School auditorium Monday evening at 8 o'clock, under the auspices of the High School. The lecturer is Gordon J. Taylor who spent nine months entertaining soldiers in France and Germany. He worked in every division in the Army of Occupation, and will tell of his impressions and inspirations. Admission 25 cents.

### Lecture at M. E. Church

Dr. Madison Swadener, noted Chatauquer lecturer, will speak in the M. E. Church, Tuesday evening at 8 o'clock. His subject will be "American Ideals and World Prohibition." Dr. Swadener is very highly recommended as an orator and thinker and comes under the auspices of the Anti-Saloon League. Admission is free.

### HYMENEAL

At Newberg, Ore., Wednesday, Oct. 15, 1919, Mrs. Eda Woods to Mr. C. R. Lovell of Currinsville.

The NEWS joins with their many friends in wishing them long life and happiness.

## SCHOOL NOTES

Monday night, October 27th, Mr. Taylor will give an entertainment at the high school auditorium. Mr. Taylor is well known in Estacada and the announcement of his coming is received with joy by his many friends. Admission prices of 25 and 35 cents will be charged.

The freshmen class has raised it's number by two: Walter Anderson and Irvin Cadaneau. Anderson is going out for football, and it is hoped that he will develop into a good man for line work.

The Freshie's have sent away for their class pennant and are very proud of the fact. The colors are to be purple and white. The Sophs claim this year's class is the greenest bunch yet, but just the same they have the good old E. H. S. spirit having three representatives on the football team.

The E. H. S. squad scheduled a game with Gresham last Friday but they backed out therefore forfeiting the game to our boys. Saturday our men traveled to Salem and got beat to the tune of 45 to 15. Vernon Hassel, who was driving one of the cars, had a smash up in Oregon City but none of the passengers were hurt another car was hired and they relayed on into Salem. The coach wants a game Friday, on the home field and claims we are going to win. From what we know now of our coach we are sure that our boys will win for what he says he means. He is getting out in a uniform himself and helping the "scrubs" rough up the first line men. The other night he received a bum eye as a result of the scrimmage but this only made him play better, he's game fellows he's game!

We are sure of at least two more games this season. Hood River H. S. at Hood River Nov. 11., and Oregon City H. S. at Estacada Nov. 22nd. There is also some talk of "walking all over Salem just to get even with them."

## WILL PROTEST HIGHER RATES

At the meeting called last Monday night to consider the steps to be taken in view of the Telephone company having applied to the public service commission for authority to increase its rates it was voted to file a protest with the commission and demand a public hearing. The general public is not disposed to pay increased rates at present, owing to the poorness of service and equipment. There is however, no desire to bankrupt the company, and if it can prove that it is impossible to do business and earn a reasonable return at present rates, maintain and keep up its equipment and render adequate service, it is probable that the public will acquiesce with good grace. But they first have to be shown. The Commission will announce the date of hearing later, and opportunity will be given all those interested to attend.
