says the Good Judge

Why so many men are going to the *small chew* of this good tobacco.

You get real tobacco satisfaction out of this small chew. The rich taste lasts and lasts. You don't need a fresh chew so often. Any man who uses the Real Tobacco Chew will tell you that.

HOGS!

The farmers have found it most practical to dispose of their fat hogs over the "Hog Special" route, which has been hitting it up to the tune of three trips a week. One man had to butcher his hogs for he did not keep in touch with the general manager.

Better secure your seats early, it's easy.
