(Successors to the Estacada Feed Co.)

Harvest With a Case Kerosene Tractor

This is the new and better way. It means more work, easier work and done exactly when you want it.

The Case 10-18 Kerosene Tractor pictured above is especially recommended for haying and harvesting. It is the smallest of our four sizes.

It is the simplest, most powerful tractor built. It will pull two 14-inch plows under all reasonable conditions, two 6-foot binders, a 22-shoe grain drill, a 5-section spike-tooth harrow, an 8-foot double action disc harrow or a large manure spreader.

For belt work it is very practical. It will easily drive a Case 20x28 Thresher with feeder and wind stacker, a No. 12 Case Silo Filler with 40-foot blower, Baling Press, Feed Mill, Small Corn Husker or Sheller.

This tractor is used by progressive farmers all over the land. It is made by the J. I. Case Threshing Machine Company, famous for 77 years among farmers. No tractor is its equal. No finer can be built.

We will be glad to tell you all about this and other Case Tractors if you will give us the opportunity.

Reed & Shibley

R. C. Deming is moving to the Durop place in Garfield.

Mrs. A. Hawkins was notified by a telegram Wednesday that her son Henry Boyer, who recently went to Idaho, was very sick.

Ed. Douglass left his truck in Portland Saturday and Sunday morning he went over and moved his mother's household goods to another location in the city.

Mrs. R. H. Currin advertised last week for her collie dog which had been lost and the next day she received word of its whereabouts. She knows now that it pays to advertise.

Milton Evans brought his mother over from Portland Friday, returning immediately. Mrs. Evans remained till the following afternoon when she went back to Portland.

D. B. Bass is on the sick list this week.

J. G. Greenwood was here from Bull Run Tuesday.

"Bob" Marchbank and H. B. Snyder were business visitors in Portland Tuesday.

Miss Florence Kendall of Gresham, visited her sister, Mrs. A. K. Morton, last Sunday.
