## A CRITIC ASKS US

Why do you claim a monopoly of courtesy? We don't--- never have. We only try to so treat people that they will think of this as the store of courtesy. There are lots of other courteous people. The more, the better. Courtesy pays, in money and other ways. We are glad we adopted Courtesy as our watchword.

If we don't have what you want, we get it for you.  
Most times you get what you want at
