So in order to understand what Easter means, it is necessary to know what Good Friday means.

PRONUNCIATION OF THE TOWN'S NAME

It has been a moot question whether the second a in Estacada should be pronounced as the a in far, or as the a in day. S. P. Pesznecker has been looking the matter up and finds that the name comes from the French *estacade* or the Spanish *estacada*, both of which mean a stockade. As a stockade is an inclosure, and Estacada is enclosed between two dams, upper and lower, probably the name is derived as above, and not as some say, a corruption of Esther Cady. If the word is of French or Spanish origin, then the a of the penultimate syllable should be pronounced as the a in far.
