Aerial Mail Service

is a reality---

180 miles an hour fast--- three times the speed of the fastest express. And aeroplane delivery of merchandise is on the way, with goods literally dropping from the clouds at your door.

It is the twentieth century idea--"better service."

That same spirit of modern efficiency permeates this institution, the spirit which sees obstacles only as things to be overcome in the development of a service which aims to be each year better than before.

The Peoples' Store

H. B. SNYDER, Proprietor

Our Motto is Service.

Want and For Sale Column
