## HARVEY E. CROSS

REPUBLICAN CANDIDATE FOR  
COUNTY JUDGE

Primaries May 21st.

I have lived in Clackamas County all my life, and I know it from end to end and from top to bottom. I taught school in the Zion School House in the winter of 1874-5, and know the pioneer people of all that section. If elected I will conduct the affairs of the county with the utmost efficiency and strictest economy. My over forty years of business and professional experience, will be given to the people of the county without stint or limit. With the bonds voted I am firmly of the opinion, that every one of the 144 miles of road should be made. I count it a solemn pledge and should be sacredly kept. And the utmost care should be taken as to the quality of the road made. No let-down anywhere. With the completion of this loop-road up the Clackamas on one side and down on the other, I am of the opinion that a growth and prosperity will come to the whole tributary country little realized. It will be my great pleasure to aid in all this improvement.

### E. H. S. vs. Molalla

The game which arouses always considerable interest, is that between Molalla and Estacada, as the rivalry between the two schools is keen. The game yesterday fell to the former by a score of 5 to 1. It was a case of the better team winning. Our boys showed pluck but the odds were against them. Arnold Lovelace made the solitary run for the home team. However, the boys take their defeat in a good spirit and hope to turn the tables next time.
