**BISSELL ITEMS**

L. H. Weisenfluh left last Saturday for Eastern Oregon, where he intends to work for a while.

A number of the George people attended the Sunday School convention at Estacada last Sunday.

Don't forget the Fourth of July celebration that is to be held at George on July 3rd, with dancing in the evening.

Mark Doryland and two daughters, Emma and Doris, returned last Monday from Kansas City, Kansas, where he has been visiting his mother, Mrs. Sarah Doryland, who has been very ill.

The Ladies' Missionary meeting will be held at the Presbyterian church, at George, Wednesday evening, the topic is on "Philippians," with Mrs. H. Joyner as leader. Everybody is invited to attend.

**How to Save Sugar**

"Conserve" sugar by using honey, syrup, and dried fruits—prunes, raisins, figs, dates, pears and peaches," say food specialists at the Oregon Agricultural college.

Products cooked with strained honey are said to have a pleasing characteristic honey flavor.

One cup of honey may replace one cup of sugar, but the milk or other liquid should be reduced one-fifth cup for each cup of honey.

Cooking fruits with the cereals will sweeten the cereal and save sugar. Raisins with cream of wheat, figs with wheatina, or farina, are examples of good combinations.

Corn syrup may be used in stewing or baking fruit, using one half cup of syrup to each pound of fruit. Dried fruits are stewed 10 minutes after soaking over night in water.

A few raisins in the rhubarb sauce add flavor as well as help out the sweetening.

Cereals may be served sweetened with syrup or with sweet fruits.

Estacada was truly a "deserted village" Tuesday.

Mrs. Anna Mikulecky is visiting her daughter in Portland.

Mrs. Lena Underwood returned Tuesday afternoon from Underwood, Wash. where she had been for some weeks.

Mr. and Mrs. G. R. Ellis left Saturday afternoon for Eugene, to attend the graduation of their son, Loren, who will receive the degree of Bachelor of Science in Architecture, at the state university. This young man graduated the first in his class and completed a five year course in four years. He won last year the first prize awarded by the Oregon chapter of the American Institute of Architects. While Mr. and Mrs. Ellis are away the store will be in charge of Mrs. Ava Bronson.

**Cowboy Preacher****Is On Way East**

BAKER, Or., June 10.—Baker was treated to a relic of the old-time West when a quaint and ramshackle outfit belonging to one Bettes, self-styled "Cowboy Preacher," passed through the city yesterday.

Bettes has traveled from King's ranch, Texas, and covered 3,386 miles when he reached here. He is on his way to New York and expects to cover the Southern states and come back to Oregon to live.

The "cowboy preacher" is 74 years old and has been a Baptist preacher for fifty-years. Last Sunday he preached at North Powder. He is a type of the old-time circuit rider who is almost a person of history now.

Ex.

The circuit riders in the pioneer times, did an amount of good, which cannot be estimated in terms of dollars and cents. They kept the religious instinct alive among scattered peoples, without which man sinks to the animal level. At the last day, when all things shall become manifest, they will receive the recognition which most of them failed to get while living. The Rev. S. G. Bettes is the father of Mrs. D. H. Morgan of Estacada.

**Catarrhal Deafness Cannot Be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.
