And Kleiber Trucks

TO OUR PATRONS:

We wish to announce that we are now temporarily located in the OLD CASCADE GARAGE, and are prepared TO DO ALL KINDS OF GENERAL REPAIR WORK and OVERHAULING. Our shop foreman, August F. Mahrt, has had wide experience, and is an expert in his line, having served in the U. S. army during the late war in the capacity of mechanic in the Motor Transportation Corps, from which branch of service he received his honorable discharge about a year ago, with very high recommendations from his commanding officer.

Vern W. Duus, who has charge of our new battery charging machine, is ready at all times to GIVE YOU the ADVANTAGE of his EXPERT SERVICE and ADVICE pertaining to the repairing and upkeep of your battery.

We have had assurance from a representative of one of the large oil companies that the recent gasoline shortage, which has caused so much inconvenience, will soon be a thing of the past. In that connection "a word to the wise is sufficient." Bring your car into our shops and have your motor tuned up or your car overhauled so that you will be ready for that trip as soon as "gas" becomes plentiful.

When in need of new TIRES, TUBES, LUBRICATING OILS, GREASES, ACCESSORIES, etc., call on us. We are prepared to give you your choice of the best.

OUR MOTTO IS "SERVICE."

Oregon has 55 varieties of commercial wood.

The only wool warehouse system of any magnitude west of Chicago is located in Oregon.
