ESTACADA GARAGE

Among the usual Saturday contingent to the metropolis, were Mr. and Mrs. Conrad Krigbaum, Mrs. J. A. Shibley and baby, Mrs. L. C. Posson.

The city sewer bonds have become due, but the council has made arrangements to carry them until a new issue can be floated, which will be done shortly.

Bert Park, of Crow, Oregon, has been visiting his parents, Mr. and Mrs. I. M. Park of Estacada during the past week, and will remain about another week.

V. W. Hauser is enjoying a visit from his parents, Mr. and Mrs. J. H. Hauser, who arrived from Florida Sunday. Mr. Hauser, senior, is an old hotel man, and very pleasant to meet. He is much taken with the appearance of the country in this vicinity. Although Florida raises two or three crops of vegetables a year, he says it is much harder to get fresh vegetables there than in New York City, because they are all shipped away, and little left for the home supply.

E. W. Bartlett was exhibiting Saturday the 5lb discus, his son, Ken, had thrown 143 ft., 10in. at Pasadena, in the Olympic try-outs. He went to Oregon City to procure a passport for the latter. A trip to Europe nowadays, involves much red tape, not only is a passport necessary, but a certificate that you have paid your income tax and other personal information. It will next be necessary we suppose to have a blood test and removal of tonsils, adenoids and appendix before being allowed to cross.

Ames Family Leave

A. G. Ames and family left this (Thursday) morning for their new home at Cascadia near Lebanon. They expect to return here later, which their many friends hope will be the case. They have lived here for some years and the town will seem strange without them. Retha and Vernon will also be missed by their playmates and in school for both are nice children and well behaved.

American Legion

The American Legion will hold its regular meeting Monday evening.
