Vedder Succeeds Calavan

Brenton Vedder for the past six years county school supervisor, was appointed Wednesday night by the county court as county school superintendent to fill the position left vacant by the resignation of J. E. Calavan, which takes effect July 15. Mr. Vedder will take up his new duties at that date.

Mr. Vedder is well and favorably known in Clackamas county and was principal of the Gladstone schools for a number of years. He has spent practically all his life in educational work, and this, with his close association with the office of county superintendent, makes him the logical man for the place.
