Oregon Industries

Tillamook, Ore., July.—Dairy Cows of Tillamook county received the highest rating in the northwest in tests made by Washington State College. An average of 906 pounds of milk per cow per month was made by 762 cows of this county.

Hood River, Ore., July.—The upper valley, which has been noted for several years for its seed potatoes, is now producing large quantities of clover seed. One farmer has just harvested 49 bushels from 11 acres, and another 110 bushels from 40 acres. The seed sells at \$20 a bushel.

Corvallis, Ore., July.—A tomato yield of two pounds to the square foot has been produced under glass in the agricultural college. Two greenhouses 20 by 30 feet in size have already yielded 1200 pounds of tomatoes and are expected to give 2500 pounds by the end of the season.

Portland, Ore., July.—The way Portland's new trans-Pacific freight service helps Oregon industries is exemplified by a recent experience of the American Brush Company of this city. When the price of hog bristles rose in China, the company started bringing its shipments direct to Portland instead of through Puget Sound and found that the freight cost saved just balanced the rise in the price of bristles. So the price of brushes was not affected.

Ed Bates has returned home from Ashland where he had been visiting some weeks.

Mr. and Mrs. F. E. Burns, Miss Bertha Burns with the sister of Mr. Burns, Miss Jennie Burns, spent Wednesday in Portland.

It is moving time for the Lovelace family, as they are taking possession of the house they bought of C. Dubois just vacated by J. C. Hillman.

Because they can get no cars in which to ship their product at Cottage Grove, Oregon, two lumber mill, which shut down for over the fourth, are still closed.

Mr. and Mrs. W. W. Christensen and their guest Mrs. Olsen motored to Portland on Monday, where Mrs. Olsen left for Chicago, after a six weeks' visit at the Christensen home, Springwater.

J. K. Cossman leaves Saturday with his family for Eugene, where he will visit until going to Marshfield where he has a position on the High School faculty. He was very successful here as teacher and athletic coach and we regret to see him go.
