**Movies for Cam-

While the old fashioned torch-  
light procession seems to have  
dropped in the discard, new cam-  
paign agencies will be used in  
the Republican National cam-  
paign. Moving pictures and  
phonograph records will be used  
more this year than ever before.  
Anyone with a phonograph can  
get a Harding record and hold a  
political rally in his home.

**As Others Think**

There has been much specula-  
tion as to where to locate the Mt.  
Hood Loop. The most practical  
route, the most scenic route, the  
most conservative route and the  
best commercial route is through  
the Dover District thence down  
the Douglass plateau overlooking  
the beautiful Eagle Creek valley,  
thence through the Eagle Creek  
valley then following the beauti-  
ful Clackamas River, and thence  
to 82nd street, Portland.

more trade to be had

less situation that has  
no remedy.

**NEITHER ARE TRUE**
