Two Year's Growth!

The Deposits of this Bank have more than doubled during the last two years, as shown by the following figures:

September 8, 1918

\$125,542.63

September 8, 1919

\$193,879.03

September 8, 1920

\$266,251.78

While our total deposits have more than doubled, our time and savings deposits have increased more than FIVE FOLD during the same period. We regard this as a most remarkable evidence of the confidence of the people of this community in the Home Bank. We are endeavoring to give the very best banking service obtainable, and it is a source of gratification to realize that we have the active support of our people, without which the above showing would be impossible.
