

**A Commonsense Decision**

Coos Bay sawmill operators and operatives have wisely concluded to not reduce wages but to increase efficiency and output. The sawmill workers have pledged themselves to weed out slackers and to insist upon an honest day's work for honest pay, and to increase the production of the plant.

This is an honest proposition all around and this policy, if generally adopted, would do a great deal to maintain a steady industrial balance and prevent slashing pay rolls.

says the Good Judge

That gives a man more genuine chewing satisfaction than he ever got out of the ordinary kind.

Smaller chew, lasts longer—so it costs less to chew this class of tobacco.

And the good, rich tobacco taste gives a world of satisfaction.

Any man who uses the Real Tobacco Chew will tell you that.
