— PRESENTS —  
**The  
Mozart Ladies  
Quartet**

Hear the Mozarts!  
They bring an evening of delightful music.  
They will appear here in the near future under the direction of MISS FRANCES BRANDT, violinist, pupil of the famed Tirindelli.

The Mozarts present a program of unusual interest. Vocal and instrumental quartets, together with costume numbers, readings, trios, solos and duets are given most artistically.

The Mozarts are charming young ladies with a sincere musical purpose. Their entertainment is artistic from beginning to end. They have enjoyed a big success everywhere during the present tour because they are heart and soul in their work and they have something worth while to offer.

Wm. Hicinbothem has finished his new house and moved into it Saturday.

Mr. and Mrs. John Mattoon have bought his father's ranch on the hill. Mr. and Mrs. Wm. Mattoon have moved into the former store building. Mr. Mattoon will be at his store now all day.

Grandpa Miller received the sad news that his eldest daughter, Mrs. Eliza Coberly, had died at her home in California on Saturday.

There are a lot of potatoes still in the ground. Too wet to dig them.

Charles Hicinbothem and family were over on Sunday, and went up to see his father and relatives at Redwing farm.

The roads between here and Oregon City are so bad that we have to go by the way of Baker's Bridge to get to town. Ah, yes, the farmer's life is very pleasant, especially when the mud is a foot or two deep.

There will be a Pie Social and Hallowe'en Party at the church on Friday evening, October 29th. All ladies and girls are asked to bring a pie, which will be auctioned off, the proceeds are to buy needed articles for the scholars of the school. Miss Ruth Nixon, the teacher, has charge of the program.

WOULD YOU, AS A PATRIOTIC CITIZEN OF OREGON, PLACE SUCH A SIGN ON THE BORDERS OF THE STATE?

That is exactly what you will help to do if you do nothing to prevent the passage of measure No. 314 and 315 on the November ballot entitled, "Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure proposes to limit the rate of interest in Oregon to 5 per cent. You can, by law, fix the rate of interest in Oregon, but you cannot, by law, force the loaning of money in this state, when a much higher rate can be secured elsewhere. The passage of this measure would force the withdrawal of the millions of foreign capital which is today loaned on factories, business and real estate in the state and send your local money owners outside of the state to better investments.

Passage of this measure would mean foreclosure of thousands of mortgages, would result in financial paralysis, and would mean widespread unemployment.

You, no doubt, understand the viciousness of this measure, but have you talked to your neighbors and friends about it? We urge you to do everything you can to defeat this measure. Oregon's reputation as a sound state for investment requires that this measure be overwhelmingly defeated.

**Getting the Taxes From  
The Timber Corporations**

STATE OF OREGON. )  
COUNTY OF CLACKAMAS. ) SS.

I, D. F. Skene, being first duly sworn on oath depose and say:

That I am a resident of Oregon City, Clackamas County, Oregon, and am Secretary and Manager of the Oregon City Abstract Company, in Oregon City, Oregon, and am acquainted and familiar with the tax rolls of Clackamas County, Oregon, and have made a personal examination of the same to obtain the information herein set forth.

That I have examined the tax records of Clackamas County, Oregon, for the years 1912 and 1913, effecting the valuation of the timber owned by the Union Lumber Company and by E. S. Collins and the Weyerhaeuser Land Company and the Molalla Lumber Company.

That I find that the valuation of the Union Lumber Company in Clackamas County, Oregon, for the year 1912, to be \$61,810.00 and for the year 1913 to be \$121,595.00, showing an increase of \$59,785.00.

That the valuation of the E. S. Collins Lumber Company for the year 1912 in Clackamas County, Oregon, to be \$406,345.00 and for the year 1913 to be \$686,170.00, showing an increase of \$279,825.00.

That the valuation of the Weyerhaeuser Land Company in Clackamas County, Oregon for the year 1912 to be \$169,740.00 and for the year 1913 to be \$537,345.00, showing an increase of \$367,605.00.

That the valuation of the Molalla Lumber Company in Clackamas County, Oregon, for the year 1912 to be \$98,600.00 and for the year 1913 to be \$116,685.00, showing an increase of \$18,085.00.

That the total increase of the four above named companies for the year 1913 was \$725,300.00.

That the total increase in value for the year 1913 over the year 1912 was due almost, if not entirely, to the timber cruise made by the County Court after 1912, which was available for taxation in 1913, of something over two and a quarter million of dollars. This computed on the basis of a tax levy of twenty mills, which was made by the County Court for the year 1913, would bring an increased revenue of twenty mills on two and one-quarter million, amount to \$45,000.00.

That the cost of the cruise to the County was \$41,000.00.

That the first year's income from the cruise was \$45,000.00, showing a net gain to the county of \$4,000.00 for the first year's assessment after the cruise was made and paid for; this on the regular county levy.

The amount of revenue since 1913 that Clackamas County, Oregon, has gained, outside of the gain to the road and school districts, by reason of this cruise has been to the tax-payers approximately \$275,000.00, less \$41,000.00 the cost of the cruise.

Now, in addition to this, every road and school district which has levied a special tax since the cruise has been made, have profited in proportion to the new valuation caused by the timber cruise.

The records show that the cruise was made by the County Court, consisting of R. B. Beatie, County Judge, and W. H. Mattoon and N. Blair, County Commissioners.

(Signed) D. F. SKENE,  
Subscribed and sworn to before me this 2nd day of October, 1920.

(Signed) L. A. HENDERSON,  
Notary Public for Oregon.

My Commission expires September 19, 1923. 10-21-20 p'd adv't.

**Catarrhal Deafness Cannot Be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.
