VOLUME 14, NUMBER 6

ESTACADA, OREGON, THURSDAY, OCTOBER 28, 1920

\$1.50 PER YEAR

MOZART QUARTET PLEASES AUDIENCE

That the members of the senior class of the High School, need have no fear of being left in the lurch as to their guarantee of the Lyceum series was evident Friday night by the large audience which taxed the seating capacity of the whole auditorium. Principal Burns also announced that the required sum had been secured, so all additional receipts will go to swell the treasury and insure a continuance another year of a similar course.

The entertainment was by the Mozart Ladies' Quartet, which proved exceptionally pleasing, and consisted of violin and piano selections, songs and readings.

The artists are four pretty young ladies who looked charming on the stage and acquitted themselves with marked ability. The leading violinist was Miss Frances Brandt, a pupil of a famous virtuoso Tirindelli, whoever he may be. Certainly he would have had no reason that evening to be disappointed in his pupil. Unfortunately there were no printed programs, so although the numbers were announced, it is probable that few remembered what they were. The performers were heartily applauded and generously responded to encores. The whole program went through without a hitch, and there were no exasperating waits between the numbers, so it was out at a reasonable hour. The auditorium became rather too warm and the air heavy. Another time it would be well to have some one open a few windows when such is the case. There will be four more entertainments in the course, the next one being on November 16.

Community Club

There will be great doings at the Community Club meeting in the I. O. O. F. hall Friday evening. Don't miss attending to enjoy the fun. Please bring sandwiches, the club will serve coffee and cream.

Wedding Bells

MARRIED—At the home of the bride's parents, Mr. and Mrs. John Page, in Estacada, October 20, 1920, Miss Minerva Page to Robert E. Moore. This interesting announcement was withheld last week by special request, but the ban has now been lifted. It will be remembered that the lights went out of commission that evening, but Cupid was not to be deterred by such a slight inconvenience. The groom arrived late in the evening and routed out the Rev. J. F. Dunlop to tie the nuptial knot, which was done in the immediate presence of the bride's family.

Mrs. Robert Moore was raised here and graduated in last year's High School class, and is very popular in social circles, and has a host of friends. The groom worked here this spring and summer in the Reed & Shibley garage, from which he only recently resigned his position, and is now employed in Oregon City. The young couple will make their future home at Gladstone. The NEWS extends hearty congratulations.

Debate On

League of Nations

The Family Theatre was very well filled last Monday evening to hear the debate between O. D. Eby and William M. Stone of Oregon City. Both of these gentlemen have been going over the county arguing for and against the league. Both handled their own sides well, but they did not bring out any fresh points from those which have been adduced before. It is probable that the adults in the audience had already made up their minds on the subject, and their determinations have not been changed one way or the other by the speakers of Monday evening. J. K. Ely presided.

Butter Wrappers

Notice is given that beginning November 1st, the price of butter wrappers will be \$1.50 per hundred for 2-pound size, and \$1.40 per hundred for 1-pound size. This increase is due to the increased price of the papers.

Estacada vs. Forest Grove

This game, last Friday, proved disastrous to our boys, as they were beaten by a score of 47 to 0. But they showed they were sports by taking it in good spirit, besides it was no disgrace, as the Forest Grove team was much heavier, and therefore had the advantage. As the game is played, "football" is almost a misnomer, it is more a gladiatorial contest. Football pure and simple, used to be played at Winchester College in England, where there was no slugging, tackling or high kicking. The ball had to be propelled by the feet, and it was considered bad form to kick the ball higher than three feet. This seems tame to the American footballer, but it afforded a very pretty game demanding a good deal of skill and finesse. It was a fine sight to see an expert player run rapidly across the field keeping the ball all the time between his two feet. The Estacada team will play Oregon City on Saturday at Oregon City.

Ex-Army Men Attention

Those ex-army men wishing to receive Victory medals should bring their discharge papers to Clyde Schock not later than Monday night November 1st. This includes all ex-army men whether members of the Legion or not. The papers must be taken to Portland and signed by the recruiting officer there before the medals will be issued.

Hallowe'en Dance

On October 30, 1920, Carl Douglass Post No. 74, American Legion, will celebrate Hallowe'en by giving a dance under the usual Legion restrictions, in the Park pavilion. This will not be a masquerade, but a royal good time is anticipated. The Women's Auxiliary will serve the supper. The public is cordially invited to come and assist the Legion in all ways. Tickets \$1.00.

Basket Social

Don't plan to go any place on November 6, only the basket social at the George Club Hall. All ladies are requested to bring baskets.

HEDGES ET AL ADDRESS VOTERS

The followers of Jeffersonian democracy assembled in good force at the Family Theatre last Tuesday night. The gathering was called to order by William Dale who presided with dignity befitting the occasion. The appointed speakers were Gilbert L. Hedges, district attorney, R. B. Beatie and E. T. Mass. The first spoke about his office and its multifarious duties, what he had accomplished and what he hoped to accomplish if elected another term. It seems generally conceded that Mr. Hedges has made good and if so it would be wise to retain him. The office should be taken out of partisan politics. Mr. Beatie it will be remembered was recalled when serving as county judge some years ago, spoke on the point on which he was recalled, that of ordering a cruise of the timber owned by various corporations in Clackamas county. The cost amounting to \$41,000 was considered excessive, but he showed that the gain to the county in revenue from this cruise has been since 1913 \$275,000, thereby justifying the expense of the cruise. He is now again a candidate for the office. E. T. Mass who wants to be sheriff has had experience in that office as well as that of deputy U. S. marshal. He promised if elected to give a satisfactory administration and fulfill his official oath. Matt C. Glover, candidate for representative, who was scheduled to speak, was unable to be present.

Ladies' Aid Give

Hot Tomale Supper

The Ladies' Aid of Currinsville and Estacada will give a hot tomale supper at the I. O. O. F. dining room on Tuesday evening, November 2nd, at 6 p.m. Come and eat tomales, then go to the special show at the Family Theatre, come back and eat more tomales while you wait for the election returns.
