Gilbert VanDuzer whose home is in New York, was here the first of the week visiting his cousin, Mrs. R. Morse.

The football game between the high schools of Estacada and Hillsboro resulted in a defeat of the former by a score of 10 to 7 in favor of Hillsboro. But in the opinion of some who witnessed it the game was the best the local team has put up this season, as it was closely contested from start to finish.

J. H. Kelly and Andy Richmond were here from Portland, Saturday and Sunday and incidentally tried their luck fishing.

Mr. and Mrs. J. A. Brooks left last Friday for their new home in Vancouver, B.C. They have been here about two years, owning a few acres near to town. Mr. Brooks informed us that he had lived forty years in Winnipeg, and never wore a fur cap during the winter and never got his ears frozen. As the thermometer goes down there 40 degrees or so below zero in winter, this is remarkable.

Mr. and Mrs. E. W. Bartlett started last Thursday for Eugene, to witness the football game between the freshmen of the U. of O. and those of the O.A.C. Ken Bartlett was the coach for the former team and they did him proud. Unfortunately car troubles prevented Mr. and Mrs. Bartlett from arriving in time, as they had to return home for repairs. They started again Friday stopping at Salem that night and going on to Eugene Saturday, where they took in the great game between the two universities of Oregon and Washington, in which the former won a glorious victory. The "Homecoming" at the U. was the greatest ever.

The walls of the new Reed & Shibley garage are now going up, a mason from Gresham, Mr. Fieldhouse doing the work, which will soon be completed if the weather keeps favorable.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J.
