Holiday Bargain Sale

Five, Ten and Twenty Acre Tracts

A large tract of land was lately purchased by us from the P. R. L. & P. Co., on the south side of the river which we have subdivided into five acre lots, with each tract facing a forty foot road. This road is now being graded and is to be gravelled and planked the entire length, making the property the most desirable of any yet shown in the vicinity of Estacada. The majority of these tracts are level with no rock and with a soil that is particularly adapted for fruit. Its picturesque landscape beauty with several snow peaked mountains, including Hood and St. Helen's in sight, and with plenty of the purest mountain water to be had by simply tapping the water main that passes your door, makes each and every one of these tracts a home to be envied.

During the Holiday season, these tracts will be sold very cheap, with a small cash payment you can have one to five years to pay it in, with a low rate of interest, so do not delay as about 40 per cent have already been sold and the price will be raised if any are left after January 1st. I will be pleased to show them at any time.

Yours cordially,
Cary Real Estate Co.

NOTICE TO ADVERTISERS

Thanksgiving Day falling on press day next week, we shall go to press one day earlier. All copy must be handed in not later than Tuesday noon.

Owing to the crowded condition of our columns we have been obliged to lay over some country correspondence and other interesting matter.

We welcome Miss Rosa B. Ten Eyck who is teaching the Dodge school, as a new correspondent to the NEWS. She will send in items from that district.

Robert Snyder, wife and son Robert of Estacada, visited Mr. and Mrs. Ted Harders of George, last Sunday. Little Robert remaining with his aunt and uncle a few days.

Mr. and Mrs. William Bass are recent arrivals from Wichita, Kansas, and are guests of the uncle of the former, D. B. Bass. He will help his uncle in the barber shop.

W. P. Ferrall a prosperous farmer and stock raiser from near Barton, has purchased from the Cary Real Estate agency, seven five acre tracts just across the river from Estacada. We hope this implies his moving here with his estimable family. This land is very choice and during the Holiday bargain sale can be procured at an astonishingly low figure.

MEETING THE ISSUE!

WE RECOGNIZE the economic readjustment now in process, and instead of evading the issue we are prepared to meet it by taking whatever loss there shall come to us — **"TAKING THAT LOSS NOW."** Sound prosperity and a strong America are just around the corner. You will find by visiting this store that our prices are readjusted to the present market for goods of the character that we handle. Of course there is cheaper goods and poorer quality to be had, but in most instances dearer in the long run. A COMPARISON of QUALITY IS ALL WE ASK.
