Griddle Cakes and Waffles

From the NEW ROYAL COOK BOOK

THERE is an art in making flapjack pancakes, griddle cakes or wheats, call them what you will. But it is an art very easily and quickly acquired if you follow the right recipes. The secret, of course, is Royal Baking Powder.

Griddle Cakes

1 $\frac{1}{2}$ cups flour
 $\frac{1}{2}$ teaspoon salt
3 teaspoons Royal Baking Powder
2 eggs
1 $\frac{1}{2}$ cups milk
1 tablespoon shortening

Mix and sift dry ingredients; add beaten eggs, milk and melted shortening; mix well. Bake immediately on hot griddle.

Waffles

2 cups flour
4 teaspoons Royal Baking Powder
 $\frac{1}{2}$ teaspoon salt
1 $\frac{1}{2}$ cups milk
2 eggs
1 tablespoon melted shortening

Sift flour, baking powder and salt together; add milk to yolks of eggs; mix thoroughly and add to dry ingredients; add melted shortening and mix in beaten whites of eggs. Bake in well-greased hot waffle iron until brown. Serve hot with maple syrup. It should take about 1 $\frac{1}{2}$ minutes to bake each waffle.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
