

GARFIELD BREVITIES

F. Snyder is nursing a siege of old fashioned la grippe.

The road meeting held in district 39 voted a 10 mill tax.

Paul Sauer was out from Portland looking after his interests here.

T. B. Young has installed a Fairbanks-Morse water and light system. Why leave the farm when one can have the comforts of a city home.

Matt Anderson is confined to his bed this week. Dr. Morse was called to relieve his suffering. It seems to be a case of too much "Thanksgiving."

O. W. Faiing is getting his his prune trees ready for market. He is an expert nurseryman and is sending out as fine a lot of trees as can be bought.

A community Christmas program and of course the biggest Christmas tree and old Santa will be there, for every one, at the Grange Hall, Christmas eve. An invitation has been given to the Garfield, Tracy and Porter schools to give a twenty minute program. Don't forget community means you.

YULE DANCE

The United Artisans are planning a big dance for Christmas night, which will be given in the Park Pavilion. See handbills for further information.
