A CHRISTMAS SUGGESTION

NOTHING that you can give to your children will be more highly appreciated, nor do them more good in after life, than to give them the beginning of a

SAVING ACCOUNT,

and afterwards help and encourage them to keep it growing, thereby instilling habits of thrift and economy.

An Account May Be Started With a Dollar Or More.

Call and let us explain it to you.

Four Per Cent Interest on Time and Savings Accounts.

Fairbanks Morse Quality—
Very Low Price

This 40 light "F" plant comes to you completely mounted on one base. The power plant is the famous "Z" Engine which can also be used to furnish power for washing machine, churn, cream separator, etc., independent of the dynamo, either direct or through a line shaft.

Low speed engine and ball bearing dynamo assure long life, less attention, and lowest possible maintenance cost. Touch a button to start and another to stop. See this wonderfully efficient plant and let us explain all the details.
