"Ship By Truck"

THE SHIP-BY-TRUCK movement has now reached a point where it is an important factor in merchandise transportation. Motorized highway transport is a comparatively new industry, but its benefits are so varied that it will be but a short time before it will spread like net work over the entire country.

SANITORIUM NOTES

At the Lovelace sanitorium December 7th, 1920, an eleven pound girl arrived for Mr. and Mrs. Benjamin Clark of Oregon City. Dr. R. G. McCall made the delivery.

F. W. Freeman of Colton, an ex-service man, is ill at the sanitorium with pneumonia, but is doing nicely under the care of Dr. R. G. McCall.

Lost His Pocketbook

Alfred L. Duncan had the misfortune Friday afternoon to lose his pocket book. It was picked up however by Mr. J. C. Duus, who brought it over to this office and handed it to our care. As it contained \$35.00, we were a little nervous about having so much money around. But fortunately we were able to get into communication with its owner who came after it and went on his way rejoicing.
