WARM TIME AT COUNCIL MEETING

The council meeting last Tuesday night, evoked a great deal of interest, as the question of closing public dances at midnight, was to be decided. In order to accommodate the unusual attendance, it took place in the auditorium of the High School. Both sides were well represented the local post of the American Legion and the Artisans being the chief opponents. All the councilmen were present. The discussion waxed warm. The principal speakers against the measure were R. Ludlow, Dr. McCall and Sylvester Lawrence, while Mrs. Ida Holder, Supt. F. E. Burns, Rev. J. C. Dunlop supported it. In the heat of argument some verbal castigation was delivered by the opponents to the proponents. When the vote of the council was taken, four voted for it and one against. Then the Carl Douglas Post rose magnificently to the occasion and publicly declared that it submitted to the judgment of the council and would obey the law, and even close the dance scheduled for the 22d at midnight, altho the law would not be in effect at that time. It also apologized for any ill advised remarks made in the heat of the moment. This declaration and apology are published on this page, in another column. We predict by so doing the Post has established itself in the community, and will not fail for enthusiastic support whenever it needs it. It was a fine example of loyalty and worthy of the name "American Legion." If it lost its point it carried off honors.

Judge Wooster

S. E. Wooster who was elected justice of the peace at the last election for district No. 14, has qualified and is ready to function in that office.

The state legislature is now on with ninety members and plenty of work ahead of it.

An Apology

In the last issue of this paper appeared a resolution adopted by the American Legion Post of Estacada, as being opposed to any action by the city council in closing the all night dances. Since then, in the good judgment of the city council an ordinance was passed closing all public dances at midnight, the American Legion wishes to assure the public and the city council that this organization will bend every effort to help enforce this measure.

The American Legion also desires publicly to apologize for statements made in the heat of debate, relating to some of the citizens and organizations of this community, particularly the churches and the Rev. J. F. Dunlop. It also wishes to be understood that it fully appreciates and recognizes the invaluable services of some of the men in this community during the war, believing that their part was fully as worthy and important as that of the men in uniform.

We wish to thank the community for their expressions of cooperation at this time. And also add that our dance on the evening of the 22nd shall be closed at midnight in compliance with the action of the council.

The above redounds great credit to the Carl Douglass Post and will serve to strengthen the esteem it enjoys in the community. By cheerful compliance with the law its members set a most notable example to all.—Ed. NEWS.

WAR SCENES WHICH GRIP

The Carl Douglas Post is to be congratulated on its enterprise in procuring a set of war pictures which have never been shown in public in the state. Estacada will thus be favored above larger towns and communities. These films contain 5,000 feet and are the selected clippings out of a million feet. They were taken by the U. S. Signal corps on the battle fronts in France and are no faked up productions. Actual occurrences will be seen in these films entitled, "Flashes of Action," and an idea of what warfare is in reality, will be gained as is impossible from mere description. Remember the date, Friday, Jan. 18, at 3:30 p. m. and 7 and 9. Admission 50 and 25 cents.

Basket Ball Match

Salem High defeated the Estacada quintet for the second time, on the Estacada floor Wednesday night. The boys did not get into the game on their home floor as they did at Salem. The game at Salem resulted in a score of 27-20 in favor of Salem and the score last night was 31-16 in favor of the visitors. We can not judge the game by the score alone, for Salem High has turned out championship teams for several years past and has the same expectations this year. We are only too proud and it is an honor, that Estacada High can compete with such schools. The boys deserve all the praise we can bestow upon them and many victories are in sight before the end of the season.
