ED. BONER'S

Economy Efficiency Endurance

These three sterling qualities, sought by every motorist, and essential to the success of a Car (doubly so in a hilly country) are embodied in the

CHEVROLET

For the Business Man or Pleasure Seeker, our "490" and "FB" Models fulfill all the requirements of the Most Discriminating Motorist. Mother, wife or daughter can safely, easily and comfortably drive these "Easiest to Handle" Cars. In the Commercial Field and in the Farming and Fruit Growing Industry the CHEVROLET MODEL "F" (one-ton truck) has amply demonstrated its ability to cope with any situation.

Lumber Outlook Bright

The is a well defined optimism throughout the lumber industry, based upon the belief that financial credit will ease, that the unsatisfied demand for housing and other construction will assert itself, that the intolerable strain of present taxes will be relieved, that water rates, taken in connection with the establishing of lumber handling facilities at Atlantic ports, will enable west coast lumber to be sold freely in east coast markets.

Better Business Prediced

Vice-Pres. Johnson, of Chicago & Northwestern, says: "A score or more of our agents in mountain Pacific states, recently canvassed their territories and have just concluded a joint conference in Salt Lake City. All the time for business improvement is near, believing another three weeks will see the liquidation of retailers practically complete. All merchants report stocks reduced and their intention of buying soon.
