REDUCTION IN THE COST OF MOTORING.

Believing that the cost of Gasoline to the consumer
has been, and is now, too high, and that some relief should
be given the motoring public from this excessive burden,
we the undersigned Automobile Dealers of Estacada, wish
to announce that on April 10th, 1921,

The Price of Gasoline will be
Reduced to 33 cents per gallon
for quantities under 50 gallons,
and 32 cents per gallon for 50
or over. : : : : : : : :

In order to make this reduction, it will be necessary for us
to collect cash at the time the purchase is made. We hope
this will meet with your approval and co-operation.
