Lodge Fellowship Displayed

Last Saturday evening about 25 members of the Odd Fellows and Rebekahs, of Gresham, paid a fraternal visit, and were entertained by the local lodges. The visitors arrived in a special chartered car, which was met by a reception committee from Estacada Lodge and Rebekahs and escorted to the lodge rooms.

After the regular lodge session was concluded, joint exercises were held with Roy H. Gibbs, of Gresham, as chairman.

They opened with a piano duet by Mabel Winters and Vada Anderson, after which Grand Marshall of the Grand Lodge of Oregon, Fred J. Neindl, of Portland, made an address which was enthusiastically received. He then presented, in behalf of Gresham lodge, to Bro. William Beers, of Gresham lodge, 125, a 25 year Veteran Jewel of the order, which Bro. Beers responded to. Mrs. C. M. Zimmerman gave a recitation which was heartily encored, and brief talks were made by Bros. Rex Ludlow, P. G., of Estacada Lodge, A. L. Githens, N. G. Estacada Lodge, Geo. Hislop, of Winneshiek Lodge, 58, Decorah, Iowa, and Harry J. Stanley, N. G., Gresham Lodge. Mrs. Carter, of River Mill, followed with a very pleasing recitation. Thelma Wilcox and Edna Carter rendered some instrumental selections and little Wandna Carter delighted the audience with a recitation.

The program concluded with the singing of the national anthem, "The Star Spangled Banner."

Light refreshments were served, and so pleasant did the visitors find the fraternal spirit of the occasion, that they were loth to leave and had to be reminded time and again that their train was ready to pull out. The Gresham lodges will entertain the Estacada lodges in the near future.

FINE BALL GROUND FOR PARK PLANNED

The P. R. L. & P. Co. is planning and has already begun on great things for Estacada. It is going to expend a large sum in improving the park, and the making of one of the best picnic and ball grounds in the state. The location of the latter is on the north side of the park opposite the cheese factory. This will necessitate the clearing of a considerable section of trees and brush, grading, leveling and rolling. The company will do its best to make Estacada a favorite holiday resort, and intends to grant a special \$1.00 rate for the week-end round trip from Portland, during the season. It has also put a crew of men to work cleaning up the hotel grounds, trimming and thinning the trees. Our citizens should appreciate what the company is doing, and we are glad to note that the community club endorsed what is being done, and expressed its willingness to help the company along this line, to the full extent of its powers. With such cooperation, Estacada cannot fail to go forward.

Who Said Bear?

H. Huxley and Russell Wilcox of Garfield, went out to their claims in the mountains, near Roaring River last Thursday, and were gone until Sunday night. While there they had the chance of a life time in hunting, as they bagged three black bears about two years old. These were in fine condition, their fur being glossy and thick. The skins and some meat were brought home by the hunters to substantiate their bear stories.

Parent-Teacher

The next regular meeting of the Parent Teacher Association will be held at the high school auditorium, Tuesday afternoon, May 10, beginning at 3 o'clock. Election of officers for the ensuing year will take place at this meeting, and other subjects of interest will be discussed.

Hair cutting is reduced to 35 cents, and shaving to 25 cents.
