

County Wide Poison Week

The rodent control leaders of the Clackamas County Farm Bureau have designated week of May 22d to 28th as poison week. At that time, all the young grey-diggers will be out and will take the poison to the best advantage. The government poison may be had from the County Agent's office or from the rodent control leader in each community where the Farm Bureau is organized. H. B. Davis is the leader in Garfield community. The cost is 25c per pound.

The county has been thrown into a pest district under the 1919 law, and everyone will be required to spread poison for grey diggers.

The annual tax paid to gray diggers in Clackamas county is not less than \$25,000.

Put out the poison and see that your neighbor does, too. If he doesn't do it, just take the matter up with your community leader.

WALTER A. HOLT,
County Agent.

Christmas Seal Sale

Approximately \$33,700 is the sum Oregon contributed for the prevention of tuberculosis in the state through the 1920 Christmas Seal Sale, which provides the sole support for the Oregon Tuberculosis Assciation. This amount is an increase of \$7000 over last year. The Association's 1921 program has been broadened to include more public health nurses, free clinics, educational campaigns, legislation, child well-fare work and surveys.
